This plan divides the Bible into 9 sections: 5 Old Testament 4 New Testament.

The 9 sections rotate within themselves and you read 1 chapter from each section every day. In the morning you will read a chapter from 2 Old Testament sections and 1 New Testament section (as shown in the A, B and C sections of the morning category. You will do the same for your afternoon. The evening reading will have 2 New Testament and 1 Old Testament chapters in the reading. In other words, you read three chapters three times a day totaling 9 chapters.

This plan will take you through the Old Testament almost twice a year and the New Testament over 5 times a year, along with being in Psalms and Proverbs daily, and the Epistles three times a day. You will be touching upon 9 points of the Bible every day.

Every born-again believer must be spiritually fed and this plan gives you a breakfast, lunch and dinner for your spirit every day.

Let Your Soul Delight Itself in Fatness (Isaiah 55:26)
